JOHN KING Q & A

WHAT IS A SMASHED BURGER?

We use a specialty blend of Short Rib, Brisket and Chuck. The "burger balls" are smashed on the screaming hot grill, and stacked. This creates many layers of caramelized beef goodness, something called the Maillard Reaction, which we feel creates a much better tasting burger.

WHAT ARE BACON FAT CONFIT WINGS?

We slow roast our wings in Bacon Fat for 2 hours... the Confit process, then deep fried to order. This causes the meat to fall off the bone, and imparts a bacon flavor into the wing. We don't think you'll find a better wing!

WHO IS JOHN KING?

We are located at the corner of John and King Streets.... thus the name! Easy to remember how to find us for our unique burgers, wings, and of course...

Upstairs Bar open nightly until 2am, Pool Table, TV's, Full Bar
